EDITOR'S LETTER

Hang on, it's October 2019, right? That must mean that I've been editing *Mayfair* for a full decade! Stone the crows, doesn't time fly when you're surrounded by the most luscious lovelies on the planet, week in, week out? Crikey, who could have imagined, way back in 2009 – when the telly was dominated by now long-forgotten programmes like, er, *Strictly Come Dancing* and *I'm a Celeb* – that come 2019 I'd still be here? Thanks to all you readers for making it happen, and roll on 2029, eh?

TALENT POOL

Dear *Mayfair*,
As a member of the armed forces, just because of what I do, I never seem to go short of female attention. I've pulled several times when I've been wearing my uniform but my most recent conquest was nothing to do with what I was wearing.

To keep us fit we get offered a choice of sporting activities and I always opt for swimming. Not only does going to the local swimming pool keep me in good shape but it also provides me with the chance to spot the local fanny swimming in their skimpy swimwear. When I go during the day there's always a fair number of MILFs and then the odd college girl there. I'll quite happily swim from end to end for an hour eyeing up all the talent. Then, a couple of months ago I actually got speaking to some girl, and it soon turned out to be a whole lot more.

> HER SHAVED PUSSY FELT NICE AND MOIST, WITH JUICY, FULL PUSSY LIPS…

I'd seen her at the pool several times before and we'd always made eye contact. She was a cute little thing, early 20s I guess. Anyway, we were both swimming up and down our lanes when I noticed she kept smiling at me. She had a nice face and biggish tits for her size. Every time she bobbed up and down in the water I would get a glimpse of her awesome cleavage!

After a few more lengths I finally got the courage to go over and talk to her while she was having a rest at one end. There was something about her, she seemed so horny and she also seemed very interested when I told her I was in the army.

"You're a good swimmer," I commented.

"I'm even better in bed!" was her reply.

"Oh yeah? Show me then," I joked back.

Amazingly she acknowledged me and said, "Come on then!"

With that she started to climb out of the pool and head for the changing rooms. My heart and cock were both throbbing with excitement as I followed her, my eyes glued to her gorgeous bum. Looking around to make sure no one saw us she dived into one of the family cubicles and beckoned me inside.

Within seconds of locking the cubicle door her tongue was down my throat. I couldn't believe what was happening but I wasn't wasting any time as I ripped down her bikini top, then slid my hand down the bottoms. Her shaven pussy felt nice and moist, with juicy, full pussy lips.

She had both her hands down my trunks at this point, playing with my balls and priming my cock in readiness to fuck her. I started slipping my fingers up her cunt, making her quietly moan. I could feel how tight she was and I knew my cock was going to love it.

"Fuck me now!" she demanded under her breath. Obliging, I pulled her bikini bottoms down so they were free to drop to her ankles and she stepped out of them. Then she turned her back to me and lifted one leg on the cubicle bench so I could do her doggy style. Her gash was at just the right height for me to rub my knob against for a few seconds before plunging it in. Once I

HER SERENE HIGHNESS!

Dear *Mayfair*,
It was grand to see two of my all-time favourite girls back in *Mayfair* last month, with Holly Gibbons and Amy Green looking, if possible, even lovelier than ever, but I think, on the evidence of just one photoshoot, that there may be a new *Mayfair* goddess in my pantheon – Serenity! As soon as I clocked her on the cover in that delicate white lingerie I knew we'd be in for a treat, and just imagine my delight when I got to page 10 and discovered that she'd be revealing all to us lucky readers on her very first *Mayfair* appearance! What a stunner, and I sincerely hope she'll be making plenty of appearances from now on, along with other recent debutantes like Imogen and Rosa and alongside your more established beauties!
Mark, Frome.

A MASSAGE TO YOU!

Dear *Mayfair*,
Loved the pictures of Nathaly in your latest issue – those boobs combined with the massage oil looked sensational, and they inspired me to offer my other half Karen a massage. She was a bit wary at first, but I told her she deserved a treat and in the end she was happy enough to relent. Once all the towels had been spread out she lay face down and I made a start. I put in plenty of hard graft, working on her shoulders and neck for a while before moving down to her peachy bum, which looked so inviting glistening with the oil that I soon had a raging bonk on. Eventually I asked her to turn over and, as I set about working on her boobs Karen remarked that it seemed like it was just as much as a treat for me as it was for her. Needless to say, I couldn't really argue!

Before much longer she was so horny I didn't think of an excuse to abandon the massage as she made a grab for my cock. We ended up fucking each other silly – doggy, cowgirl and missionary, and we even finished off with a tit-wank, something we'd never done before! So thanks to you and to Nathaly for helping to inspire such a great fuck session. We're probably going to make it a regular thing from now on!

Alan, Ware.

was inside her I began to pump, getting more forceful as she commanded.

I was a bit concerned that she was making a bit too much noise but the look in her eyes when she looked back over her shoulder at me said it all. She wanted to be fucked hard and there was no way I'd get out of that cubicle alive if I didn't give her what she wanted!

Fucking away at her tight fanny I reached around to play with her clitoris, sometimes feeling my own meat going in and out. Then I decided to turn her around and pick her up to fuck her against the cubicle wall. Her pussy felt amazing – so wet and warm I knew I wasn't going to last long. I felt my balls tighten when all of a sudden she said, trying not to scream it out, "Come inside me!"

After her saying that I couldn't hold back. With a loud groan I pumped her wet love hole to a climax and filled her with my own hot juices. I could feel her pussy twitching away as she slowly gained her breath back. Then without saying another word she wiped what had dripped down her thighs, got dressed, kissed me on the cheek and left me in the cubicle to nurse my wilting boner.

I thought I probably wouldn't see her again, let alone have an encounter like that, but when I went swimming the next week, guess who was there and guess what we did? She's since left her boyfriend and now we're fucking on a regular basis – and not just in the swimming pool changing rooms!

Steve, Hants.

HELEN OF TROILISM

Dear *Mayfair*,
Like a lot of couples, I suspect, 15 years of marriage had rather staled our sex life until it became little more than a perfunctory shag every second or third Saturday night. Given that we've got a young family I guess this was probably as good as we could hope for, but I was starting to dread the prospect of never doing anything more interesting ever again, and so, it turns out, was my wife, Helen… with dramatic results.

A couple of months ago she happened to mention that she'd read an article about how married couples could help reinvigorate their sex lives, and given that I was as unsatisfied as she was, I was all ears. There was a lot of guff about valuing your time together, but it also made a point of stressing the importance of bringing your fantasies into your love life.

"So, have you got any fantasies?" Helen asked, pointedly.

Needless to say, I was a bit hesitant about laying my cards on the table, so after a bit of bluster I bounced the question back to her.

She took a sip of wine and looked at me. "I sometimes fantasize about having a threesome," she finally admitted.

Needless to say, I was a bit taken aback, and yet at the same time, completely involuntarily, I felt my cock give a twitch at the thought of it.

"With two guys, do you mean?" I asked, not quite knowing whether I was afraid about what she might say, or excited.

"Yes, to be fucked by two cocks," she blushed slightly, and, perhaps surprised by her crude language, I felt a further stirring in my loins. While half of me was revolted by the thought of my wife screwing another bloke, there was no getting away from what the other half of me thought about it!

I was silent for a while, trying to come to terms with the emotions I was feeling when Helen suddenly leant across and grabbed my now almost fully erect cock through my trousers. "I see you quite like the idea as well," she grinned, and I couldn't really argue.

That night we fucked with the kind of vigour we hadn't known for a dozen years or so, the thought of seeing another man screwing her driving me on to slam into her like a randy 20-year-old, while Helen came with a force that took us both by surprise.

Once we'd got our breath back it didn't take long for us to agree to turn her fantasy – our fantasy, now – into reality. And then we ended up fucking again, like newlyweds!

The planning stage ended up taking a while. Helen couldn't think of anyone she'd trust to join us, and we wanted to keep things discreet, so in the end we registered on a swingers' app and started trawling through the profiles. Eventually we'd whittled the likely candidates down to a couple, and we contacted them both to see what sort of rapport there might be. They both seemed pleasant enough, but in the end we had to make up our minds and we settled on a guy called Joe, who lived near Worcester. Given that it was our anniversary, we arranged to leave the kids with Helen's mum for the weekend

Can you possibly imagine just how many hotels you have to stay in until you find the one where gorgeous Sabrina Maree's been hiding herself away as a chambermaid? Literally ALL of them becaue, well, she hasn't reallly been hiding herself away as a chambermaid at all. Nope, we thought we'd save ourselves a whole lot of effort by just getting a hotel room and asking Sabrina to come along and try on – and then try off – the little maid's outfit we'd bought specially.

"And I dare say you'l lbe hoping for a little bit of 'extra' service while I'm here?" she asks with a sneaky wink.

Well, if you could leave us a couple more shortbreads, that'd be great!

and have a weekend away, ‘just the two of us’. Well, for some of the time, at least!

We’d picked a nice hotel, and I arranged to meet Joe in the bar while Helen ‘got herself ready upstairs. We both had butterflies in our stomach as the hour approached – I certainly couldn’t think about anything else, and Helen seemed equally distracted by the prospect of what we were about to do. She ran herself a bath at 6, and after I’d had a shower I headed down to the bar for a bit of Dutch courage, and to meet Joe, who duly arrived 20 minute early.

We had a couple of drinks and chatted. He seemed just as pleasant as he had done online, but my heart was still pounding as I thought that this bloke would soon be screwing my wife of 15 years. He was handsome enough, smartly dressed with a good physique, and admitted that this was going to be his first threesome as well – so a new experience for all three of us.

> “I WATCHED IN AWE AS HE GUIDED HIS STIFF POLE BETWEEN HER SOAKING LIPS AND BURIED IT DEEP INTO HER SNATCH.”

As agreed, at 7.30 we polished off our drinks and headed up to the room. Conversation rather dried up as we walked up the grand staircase to the bedroom, and my mouth was dry as I opened the door and ushered him inside. The lighting was low and Helen was sitting on the bed, her hair done beautifully and wearing only the red lingerie she’d bought especially for the occasion. She really did look stunning, and I felt my cock stirring again.

“Helen, this is Joe. Joe, Helen,” I just about managed to stammer, but Helen clearly wasn’t interested in talking, standing and beckoning our guest over to the bed. I watched, spellbound, as they kissed, his strong hands circling around her waist and sliding down onto her curvy bum, pulling her closer as their lips locked together.

I suddenly felt like a bit of a spare part, but Helen broke away from her passionate snog and called me over. As I stood next to Joe she slowly knelt down in front of us and stroked our crotches. Without saying a word we both unzipped and pulled our trousers and boxers down, and two engorged pricks sprang out in front of Helen’s face. Joe’s was a good size, nice and thick, but I was relieved to see it wasn’t appreciably bigger than mine – which, admittedly, was looking more bloated than it had in years. Grabbing one in each hand, Helen gently stroked each in turn before leaning forward and teasing the tips with her tongue. The sight and sensation was mind-blowing, and I probably could have come there and then, but desperately held back, knowing there’d be more delights to come.

After she’d coated both out cocks with saliva she stood up and unclasped her bra, allowing her shapely C-cups to tumble free. Her nipples were already stiff, and Joe and I leant forward and, taking a boob each, nibbled and licked on her hard teats. Meanwhile I slipped a hand down the top of her panties and searched out her slit, which I soon discovered was absolutely soaking wet, allowing me to ease a couple of fingers inside her, making her squirm with delight.

“Oh God I need a cock inside me!” she groaned, stepping back and wriggling out of her knickers. Joe and I quickly stripped off and, as Helen spread out on the bed, he looked at me.

“Guests first,” I said, now desperately to see my wife impaled on another man’s prick. And so, as Helen reached up to pull him on top of her, I watched in awe as he guided his stiff pole between her soaking lips and buried it deep into her welcoming snatch. She let out a long groan and wrapped her legs around his back as he began to fuck her, taking long, deliberate strokes and making sure she got every inch of his meat.

For a while I just stood there, prick in hand, watching as he thrust away, making her squirm and gasp beneath him, but of course Helen’s fantasy was to have to cocks at once, and she reached out for me, grabbing my knob and pulling it towards her face. I climbed onto the bed next to her, my hips by her face, and she sank her lips round my shaft and slurped for all she was worth, bobbing her head back and forth in rhythm with the thrusts of her new lover. I gazed down her body, watching her boobs jiggle as Joe started to increase his pace, but then he suddenly pulled out and, grabbing her hips, made to flip her over. Helen was more than happy to oblige, getting onto her knees on the bed as he knelt behind her and slid his prick back easily into her well-lubed slit. I knelt up as well, and fed my tool back into her mouth.

We continued to spit roast her like this for a couple of minutes, my wife’s muffled moans demonstrating just how much she was enjoying fulfilling her fantasy like this. She pulled my cock from her mouth and, reaching back to tease her clit, shuddered through an almighty climax, slamming her arse back against Joe’s groin as she soaked his shaft in her juices. Well, that was too much for Joe, and he gasped that he was going to come.

“In my mouth – I want to taste your spunk!” Helen ordered, and Joe pulled out as she span round, grabbed his meat and gulped it into his mouth. With a couple of swift jerks I could see that he was flooding my wife’s mouth with his jizz, pumping away as she kept her lips clamped round his length. Well, with my head spinning and my balls tightening, I frantically pushed my prick into her slipper fuck-hole, just in time for a couple of thrusts before I too was coming, pumping spurt after spurt of spunk into her well-fucked pussy. It was the most incredible feeling, knowing that my darling wife was being flooded with hot come at both ends at once.

Well, after that we got cleaned up and went downstairs for a meal. The wine and conversation flowed freely, and then, well, we headed upstairs for seconds… and thirds! Joe couldn’t stay the night, so at about midnight we bade him farewell, leaving the two of us to share the memory of the horniest night of our lives.

Since then Helen’s been pestering me to tell her my fantasy, but I’m struggling to think of anything that could be more arousing than sharing her with another man, so who knows, maybe we’ll end up doing that again – I’m sure she wouldn’t complain!

Martin, Northants.

Felicity –or 'Flick' as she likes to be known as – Hill's always a welcome addition to any edition of *Mayfair*, for at least three reasons. The first, and foremost, is her bubbly personality, of course - she's always laughing and smiling, which doesn't haf make things easier when the heating's on the blink (it's been known to happen). Secondly, she's a bit of an amateur astrologer and and it's always nice to get a few psychic tips from the stars from one in the know, although sadly it hasn't helped the work lottery syndicate too much just yet. And thirdly, well, have you seen that bum?

IKEA **SYMPHONISK**

EDITORS PICK

Was it only last issue we were talking about unlikely mash-ups between two different gadgets with the Bose Frames? Well here's another storming example from everyone's favourite Swedish outfit since Abba, IKEA! It's another speaker – a Sonos, no less, so a pretty cracky one – that's combined with a table lamp. That's right, folks, the days of having an unsightly speaker taking up table space next to your lamp are over! In terms of appearance, there's no getting round the IKEA-ness of it, although when switched off it does have the slightly unnerving look of a chubby Hitachi Magic Wand (resting on a saucer) about it. Then again, maybe my judgment's a bit biased from working for Mayfair… To get the easy part of it out of the way first, the lamp itself is a bit on the stone age end of the spectrum insofar as you actually have to flick a knob on the side to actually turn it on and off. Why it hasn't even got a dimmer! Mind you, it's all about the lightbulbs these days, and there's nothing stopping you putting one of those colour-changing, fancy-shmancy one which would doubtless improve the the ambience immeasurably. Then, once you've got that sorted, it's time to line up some banging tunes. Sonos afficionados will know the score, but if you're a newbie you'll need to get the app and then it's a (relatively – depending on age!) simple job to connect the speaker to your phone or tablet, and then get it hooked up to your music player of choice – Spotify, Amazon Music on one of the countless others. You can also link it up to your Amazon Echo, Google Assist etc which turns your smart speaker into a really pimped up smart speaker. Remember, though, it's not a smart speaker in itself. Then, if you're really serious about your music, you can hook it up either to one other Sonos speaker for pukka stereo sounds, or to several scattered about the gaff for complete house-filling sounds. And what with it being Sonos, you know those Grumbleweeds Greatest Hits are going to sound better than ever before. Why it can even be linked to a home cinema set-up, although you won't be wanting the lamp bit then. All in all, assuming the design of the lamp (other colours are available) fits your room, this'd be a welcome addition.

SEGA GENESIS **MINI**

Gaming was one the new kid on the block, but let's face it – it's been knocking around for a generation or more now, which means it's high time gamers of a certain age started to look back to their more innocent past with misty eyes. For some, that'll mean getting a costly Space Invaders table and sticking it in the middle of their hipster pads, but for others it'll be a chance to rekindle their Sega/Nintendo obsessed youths. Nintendo have already made a play for this retro market with their NES and SNES Classic Minis, and now it's time for Sega to get in on the act. And they've really gone to town on the Genesis Mini, which is designed to be a loving tribute to its altogether larger predecessor of yesteryear – so much so that it looks exactly like a shrunken version of it complete with the rather analogue controls on the body for power and reset. The volume slider is just for show, though, but it's still a nice touch. There's even a cartridge slot, complete with working flaps, although you won't be required to actually insert any cartridges – all the game have ben pre-installed (and besides, the old ones are too big). Even the two controllers are nicely reduced replicas of the originals. Once connected to the telly via HDMI and powered up (by USB!) the user is offered a pleasing, easy to navigate interface that lets you pick from no fewer than 40 games (more than the other retro packages out there) with many a classic in the mix, with Sonic The Hedgehog, Earthworm Jim, Streetfighter 2 and Tetris all luring the ageing gamer back into the joys of a bygone era. What's not to like?

A carpet layer had just finished fitting carpet for an old lady. He stepped out for a smoke, only to realise that he had lost his fags.

Looking back into the lounge he saw in the middle of the room, under the carpet, was a bump.

"No sense pulling up the entire floor for one pack of fags," he said to himself and promptly flattened the hump with his hammer.

As he was cleaning up, the lady came in. "Here," she said, handing him his pack of fags. "I found them in the hallway. Now, if only I could find my hamster."

An old man was on the beach and walked up to a beautiful girl in a bikini.

"I want to feel your tits," he exclaimed.

"Get away from me, you crazy old perv," she replied.

"I want to feel your tits, I'll give you 20 quid," he says.

"20 quid, are you nuts? Get away from me!"

"I want to feel your tits, I'll give you 100 quid," he says.

"No! Get away from me!"

"200 quid," he offered.

She thinks about it, but then comes to her senses and says, "I said NO!"

"500 quid if you let me feel your breasts," he exclaimed.

She thought, well he is old, and he seems harmless enough. "Well, OK… but only for a minute."

She loosened her bikini top and he began to feel her tits. Then he started saying, "Oh no, oh no…" while he was feeling them.

Out of curiosity, she asked him, "Why do you keep saying, 'Oh no, oh no'?"

While continuing to feel her breasts he answered,

"Oh no, oh no, oh no, where am I ever going to get 500 quid from?"

A young man is wandering around the zoo looking at the animals. He suddenly remembers an appointment that he'd scheduled. Unfortunately, he's forgotten his watch. He searches for someone who could give him the time and sees a zookeeper standing next to an elephant.

"Excuse me, mate," says the young man, "do you know what time it is?"

The zookeeper grabs the elephant's balls and starts playing with them.

"Mmmmm, it's just gone 3 o'clock," the zoo keeper responds.

The young man looks at him in awe, "How did you know that?"

The zookeeper looks back at the man, "I looked at the clock on the wall behind you."

A woman comes home and tells her husband, "You know those headaches I've been having? Well, they're gone."

"No more headaches?" the husband asks. "How?"

His wife replies, "I was referred to a hypnotist. He told me to stand in front of a mirror, stare at myself and repeat 'I do not have a headache, I do not have a headache.' It worked! The headaches are all gone."

The husband replies, "Well, that is wonderful."

His wife then says, "You haven't been too hot in the bedroom these last few years. Why don't you go see the hypnotist and see if he can do anything for that?"

The husband agrees to try it. Following his appointment he comes home, rips off his clothes, picks up his wife and carries her into the bedroom. He puts her on the bed and says, "Don't move, I'll be right back."

He goes into the bathroom and comes back a few minutes later and jumps into bed and makes passionate love to his wife like never before.

His wife says, "Wow, that was wonderful!"

The husband says, "Don't move! I will be right back."

He goes back into the bathroom, comes back and round two was even better than the first time.

Her husband again says, "Don't move, I'll be back." With that, he goes back in the bathroom. This time, his wife quietly follows him and there, in the bathroom, she sees him standing at the mirror and saying, "She's not my wife. She's not my wife!"

A fireman is called to a house and arrives to find flames pouring out of the upstairs windows. A woman is leaning out of one of the bedroom windows and screaming to be saved. Donning his protective gear, the fireman fearlessly climbs a ladder and enters another upstairs window. He battles through some flames to the room where she is trapped and finds her standing there in her nightie looking pretty fit.

"Amazing!" says the fireman, "you're the third pregnant girl I've saved this week."

"But I'm not pregnant!" protests the woman.

"Yeah," the fireman replies, "but you're not saved yet either."

OK, we're not usually that fussed about black and white photography here at *Mayfair*, but we'll gladly make an exception for this pair! Ana and Milana might not be the most dedicated photographers ever, even if they have got a pretty swizz digital polaroid camera, but what they lack in technical know-how they more than make up for in enthusiasm – especially when they gave up on the photography and started to focus on each other's pussies instead!

"Hey I'll have you know I'm a pretty good photographer!" protests Ana, "although I have to admit, I do prefer eating pussy!"

Well who doesn't?!

Katy Jayne's clearly not one for taking two bottles into the shower – look, she's got three in there with her! And look, all three of them seem entirely surplus to requirements if this is anything like what her normal shower routine is like…

"Ha, well my normal shower routine does generally involve plenty of washing and shampooing and that, so the bottles do get used – but yes, I can't pretend I don't sometimes make the most of my time in the shower to have a little play with my pussy. Wouldn't you?"

Why yes, we bloody well would!

It's time to hang out the bunting – not because Brexit is (or, quite possibly, isn't) happening this month, but because, after an absence of two long years, we've finally got the delectable Tommie Jo back into *Mayfair*! It goes to show, that while begging and pleading pathetically might not be a particularly good look, it sometimes gets the job done in the end! The Ed must have got through about five pairs of strides, what with all the imploring on bended knees he's been doing – and that's on top of all the pairs he gets through every year as a result of his other, er, habits…

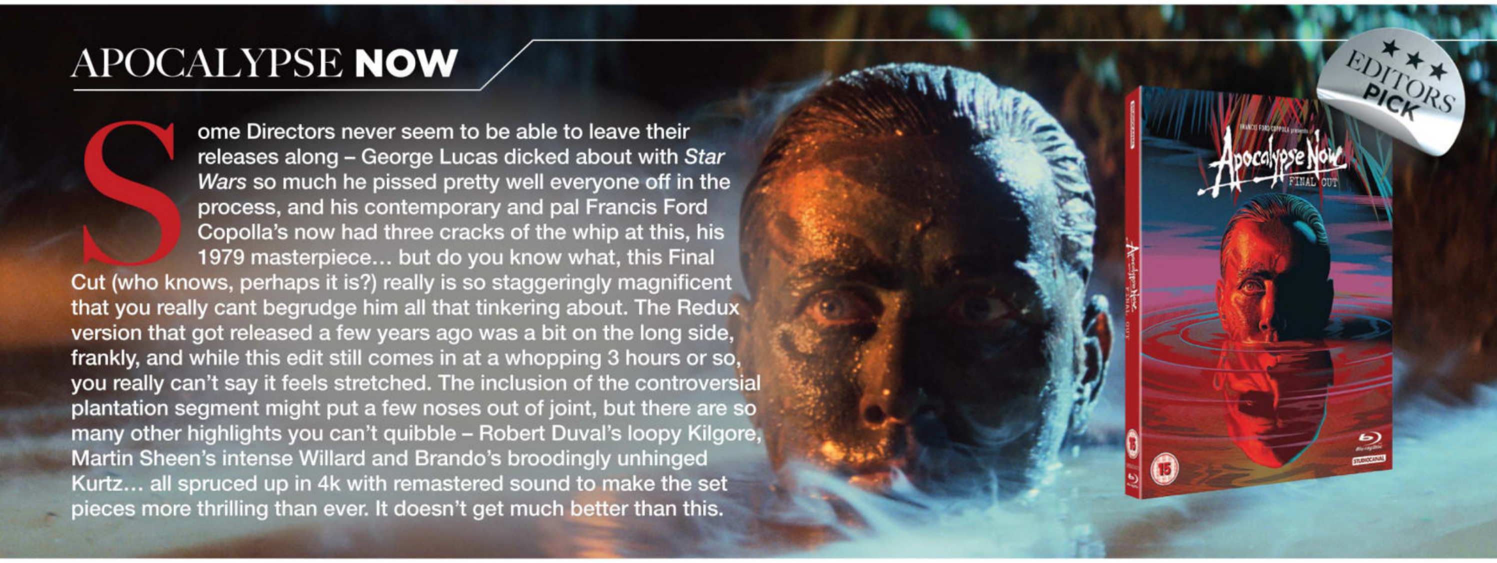
SCENE from MAYFAIR

You don't get any old tutt featured in Mayfair, you know – this issue it's three classics, two nailed-on and one a wee bit cult, but none the worse for that!



APOCALYPSE NOW

Some Directors never seem to be able to leave their releases along – George Lucas dicked about with *Star Wars* so much he pissed pretty well everyone off in the process, and his contemporary and pal Francis Ford Copolla's now had three cracks of the whip at this, his 1979 masterpiece… but do you know what, this Final Cut (who knows, perhaps it is?) really is so staggeringly magnificent that you really cant begrudge him all that tinkering about. The Redux version that got released a few years ago was a bit on the long side, frankly, and while this edit still comes in at a whopping 3 hours or so, you really can't say it feels stretched. The inclusion of the controversial plantation segment might put a few noses out of joint, but there are so many other highlights you can't quibble – Robert Duval's loopy Kilgore, Martin Sheen's intense Willard and Brando's broodingly unhinged Kurtz… all spruced up in 4k with remastered sound to make the set pieces more thrilling than ever. It doesn't get much better than this.

IN BRUGES

So that's a tremendous film from the 70s getting a reissue, and now it's time to jump forward to one of the finest releases from the noughties, which is also getting a welcome dusting down and a re-release. Writer and Director Martin McDonagh crafted a real gem with this one, which sees experienced hitman Brendan Gleeson and his novice sidekick Colin Farrell hole up in the picturesque Belgian city following a bungled hit. The rapport between the two is beautiful, with the dim Farrell struggling to come to terms with his costly mistake, and to cap it all off Ralph Feinnes puts in a fabulously demented turn ad the crime boss who employs the pair and who can't allow them to escape the consequences of their misdeeds. Throw in deleted scenes, McDonagh's Oscar-winning short Six Shooter and loads more bonus material, and you really can't miss this one.

A Martin McDonagh Film
in Bruges

HIGH NOON

Well, after two such great films, it'd be a shame to round off with a duffer, so we'll go for another nailed-on classic instead! Any list of the top ten westerns would be lacking if they failed to include Fred Zinnermann's iconic offering from 1952, in which a grizzled Gary Cooper plays Will Kane, an upstanding Marshall who's managed to win the hand of Grace Kelly and is heading off for a doubtless very enjoyable honeymoon… except that there's a gang of no good outlaws heading into town and Kane knows it's his duty to bring them to justice. With the story unfolding in real time, the tension mounts as he fails to round up a posse until finally he's left alone to stand up for his values as the clock ticks round to midday. Gripping filmmaking of the highest order, with a 4K remastering adding to the pleasure.

HIGH NOON
The Masters of Cinema Series
HIGH NOON

They (and by that I mean people aged 30 or more) like to say that life begins at 30, so given that Lola here's recently clocked up her third decade on the planet, we were wondering if she'd noticed any changes in her life that might constitute it beginning…

"Er, well, not especially. One thing that did begin when I turned 30 was quite a massive hangover. I partied pretty hard for a few days and ended up regretting it for a few more days after that! So maybe it's not life that begins at 30, but increasingly bad hangovers…"

Yes, that sounds quite likely to us. Still, we bet the partying was worth it!

EDITORS PICK

This one gets off to a rum start, with Ania swanning into a bar and revealing to the camera that the IS wearing panties! What a swizz! Still, a quick trip to the lavvies and she whips them off and leaves them in her glass as a come-on to the barman. He takes the hint, follows her back into the bathroom, and she's soon bouncing up and down on his pole. Doggie, tit-wank and cowgirl all follow before a final missionary does the trick and he creams all over her knockers. Ella Hughes's scene is pure Tinto Brass, with her walking down a country lane and sprawling on a picnic blanket – no panties here! – before Pascal's zoom lense spies her. As punishment for this peeping Tom Ella invites him over and they get all oral on each other. She puts him through his paces, with Pascal keeping up gamely until she wanks him to a cracking pop over her mush. There's more alfresco fun for MILFy Tiffany and then Lina, who throws in some bummery for good measure, before Alessandra has some fun with a photocopier and a cock in the finale.

SEXUAL **FIDELITY**

Pfft! Sexual Fidelity? That's the last thing we want, and thankfully there's actually very little of it on display here. There's a plot that involves a radio phone-in that deals with relationships, but it all goes tits up when the co-hosts Casey Calvert and Brad Armstrong split up. But before we get to that Kenzie decides to heed the show's advice and put on a nice romantic bunk-up for her fella. The moody lighting marks it out as a classic piece of couple porn, with nothing too extreme as they work their way through some moves before the johnny comes off and Kenzie takes a pop to the chops. Then it's time for a break-up shag between Casey and Brad, and to be honest it seems like they're getting along just fine to me! Plenty of oral and fingers from Brad get her juiced-up, and the porking that follows would do any relationship proud! Cute Latina Harmony and tattooed Jessie move things along nicely before Casey ends up with a new fella. Well who doesn't love a happy ending?

POON **RAIDER**

So Tomb Raider's a thing again? Surely all that Lara Croft thing was a bit turn of the century, but then everything gets a reboot every few years now, so it was only a matter of time before this one rolled round again. Anyway, Kimmy plays Laura Crotch – and she does rather look the part, it has to be said – who finds herself having to battle against her wicked stepmother for control of Crotch Industries. This battle, luckily for enough, largely involves fucking, with Ryan Ryder the first to have a crack at her. It's a nice opening scene with plenty of energy, and does a great job of taking your mind off the flimsy plot. Tina Kay shines in her two scenes, and Rina ain't no slouch either when it comes to draining balls. Tongue in cheek fun that does the job nicely!

AEMELIA

Age: 25 **Vital Stats:** 32D-24-36 5'8"

Photographer: BBM

We know that both Fantastic and Michael J have had plenty of fans in their time, but here at *Mayfair* there's no two ways about it – our favourite Fox (Ahem, our favourite Foxxx, incidentally, is Ana on page 25!) is Aemelia, the London based hottie who debuted last year and who has finally got round to swinging by for another shoot! She really is the mutt's nuts, isn't she, with perfect proportions and the kind of face that'd get her a modelling gig in just about any magazine going. So what made her plump for *Mayfair*?

"Oh, cos it's the mag all us naughty British girls want to be in, of course!"

Ah, how gratifying! And we wouldn't have it any other way!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I flatshare with my friend, Nickie. We've known each other since uni, and last year we both moved to London for work. I'm absolutely loving the London lifestyle, working hard and playing hard and it's not uncommon for Nickie and I to bring different blokes home each weekend for sex. Recently we even got to share one bloke which was quite a filthy experience but the reason why I'm writing to you is to tell you about how I seduced Nickie's younger brother.

Michael is 20 and still lives with his parents back up north. One weekend he came to visit Nickie and was staying at our flat. Nickie had to work on the Saturday so it was up to me to entertain Michael. I didn't mind as I'd met him a few times before and he's actually quite a funny lad, although I'd never really seen him as a fully-grown man. But all that changed when we went shopping in the West End.

He wanted to go to some of the trendy clothes shops so I took him to all the places I knew and patiently waited as he browsed in each shop.

We were in one of the bigger department stores when he was trying on a few shirts. He asked me to come to the dressing rooms with him and while I waited outside the cubicle he tried on the first shirt. He came out, asked my opinion, I approved and then he said he'd try on the next one anyway, but rather than going back into the cubicle he took off his shirt, and changed into the next one there and then. As I saw him momentarily topless it was clear he spent a lot of time in the gym. His physique was very toned and I could now see that he was indeed a man.

> “MICHAEL GROANED AS I SLIPPED HIS LENGTH INTO MY MOUTH INCH BY INCH.”

And, yes, you guessed it, I started to fancy him.

For the rest of the afternoon as I followed him round the shops I started having dirty thoughts about him. I tried not to because he was my best mate's younger brother, but after seeing his great body, it was very difficult and by the time we got back to the flat I couldn't resist.

We had planned to meet Nickie straight from work and then go out for a meal so I told Michael I was going to get ready. I jumped in the shower and while I soaped myself down I ran my hand between my legs and started to massage my clit. Naturally I had thoughts about Michael and pretty soon I had brought myself off, but I was far from satisfied so I had to take action.

Name: TRINNY
Age: 26
From: LONDON

I stepped out of the shower and wrapped my towel around me. Then I walked into the lounge where Michael was slumped on the sofa and demanded his attention. He looked up nonchalantly so to really open his eyes there was only one thing for it – I dropped my towel!

Michael's jaw dropped and for the next few seconds he just stared.

“Oh… erm,” he gasped, eyeing my curvy

body up and down. He wasted no time in peeling off his T-shirt as I dropped to my knees by the sofa and headed for his belt buckle.

I could see a bulge forming in the front of his jeans as I undid his belt and then unzipped his fly. He awkwardly pulled down his jeans and his boxer shorts to reveal a stonking hard-on.

"Not a bad size," I commented, licking my lips at the sight of it.

"Well, go on then," he ordered, "it won't suck itself!"

Cheeky bugger! Still, I did exactly as he said, leant over and wrapped my lips around his dick.

Michael groaned as I slipped his length into my mouth inch by inch. For a cock it sure tasted good and I let him know that by giving it really good head.

As I continued to suck on him, Michael kept making encouraging comments, telling me how good it felt and how he wanted me to suck it harder. I responded accordingly and kept at it until eventually he asked me to sit on his face. That wasn't a request I get often so I gladly straddled him and lowered myself onto his face. His youthful enthusiasm was obvious in the way his tongue darted out and lapped at my folds. I had been given oral sex by men twice Michael's age and none of them had been so skillful. For a young lad he certainly knew what he was doing and within minutes I was having my first climax.

Michael was not put off by my groans of pleasure and continued to feast on my cunt. All I could do was savour the pleasure as his tongue continued to lick me in every conceivable place. Pretty soon I was begging him to fuck me.

"Doggy style!" he insisted, so I turned on to my hands and knees as he positioned himself behind me. He rubbed at my tender slit and then with one forceful stroke he slipped his prick deep inside of me. I clung on to the arm of the sofa as Michael pumped me from behind. I could feel each stroke as it went deep inside of me. Michael stroked my back and my waist with his hands, the gentleness a great contradiction to his piston-like thrusts.

When he pulled out of me I thought he was going to come, but instead he sat back on the sofa and asked me to get on top of him. Now I felt like I was the one who had the power – and rightly so since I was older than him – as I straddled over his lap and impaled myself on his throbbing dick. I threw my arms over his shoulders and looked down at his approving smile before he tucked into my breasts.

"WITH MY LEGS WIDE AND HIM ON TOP OF ME HE SLIPPED HIMSELF BACK INSIDE MY JUICY QUIM."

Wiggling and jerking my body, I rode Michael's dick as he tongued each of my nipples in turn, sometimes pushing my tits together and burying his face in my cleavage. Now I was sure he would soon come but I was wrong. I rode myself to another loud orgasm before he told me to lay on my back.

With my legs wide open and him on top of me he slipped himself back inside my juicy quim and began the grand finale.

For the next few minutes I was fucked ragged as Michael used all the energy in his fantastic body to pound away at my snatch. Then with a victorious roar his body froze and I felt a hot stream of come flood my pussy. Michael rocked slowly to squeeze the last few drops out of his spent prick before collapsing on top of

me in a tired heap. I held him in my arms and as much as I wanted to drift off into a dreamy post-intercourse sleep with him, we had to go and meet his sister.

As you can imagine, we were slightly late but we didn't tell her the reason why! Now Michael visits most weekends he can and I always volunteer to entertain him while Nickie is at work – I just wonder how long it is before she cottons on to what we're up to. Not too soon I hope as Michael is keeping me more than satisfied!

"I CLUNG ONTO THE ARM OF THE SOFA AS MICHAEL PUMPED ME FROM BEHIND."

When my step-sister told me she was splitting up with her husband of four years, Darren, I (naturally) made all the right noises of concern and sympathy, but in the back of my head I couldn't help speculating whether this might mean I'd have an opportunity to find out whether what she'd once let slip about the size of his cock was really true or not. I knew Claire would be horrified to know what I was thinking, but I couldn't shake it off.

Over the next few weeks I met up with her a quite a few times, and it became clear that her marriage really was doomed – she'd met someone else, and in any case Darren's domestic habits (I didn't ask!) meant she couldn't stand living with him any more. Armed with this knowledge, I figured I had free hand to find out about his prick once and for all and gave him a call. Darren and I had always got on well, and, saying I'd miss him being at our family gatherings, suggested we go out for a little drink for old time's sake. He seemed happy enough with the idea, and we arranged to meet in a pub near my flat one evening.

Planning ahead for the evening and hoping he might be amenable to my naughty plan, I had a good soak in the bath before heading out, making sure my pussy was neatly trimmed while I was at it. I even had a sly wank, just thinking about how the evening might pan out. Then, after getting kitted up in my slinkiest little black number, I headed out to the pub.

Darren was there before me, sitting in a corner with the remains of a pint, gazing at his phone and looking a bit forlorn. I felt a pang of sympathy, realising that the failed marriage might be hitting him a bit harder than Claire, who already seemed to have moved on. I headed straight to the bar before he'd noticed me, got myself a glass of wine and another pint for him, and headed over to the corner.

"Here, I thought you might want another!" I smiled and he looked up. I saw him start as he clocked my skimpy dress, but he did his best not to register it too much as he forced a grin and took his drink.

> I BEGAN TO MASSAGE IT, FEELING THE BLOOD PULSE INTO IT AS IT STIFFENED FURTHER IN MY HAND.

"I sure could. It's been a pretty crappy few weeks," he said as I sat down opposite him.

"I guess it has been, but I'm sure things'll pick up soon enough. You could even play the field a bit again – I'm sure a lot of guys would envy you, really!" I cajoled, 'inadvertently' rubbing a leg against his as I settled into my seat.

"I guess so. I'm not sure I'm ready for all that yet, though." He took a swig of his beer and looked down.

Name: MEGAN
Age: 25
From: WINDSOR

It was now or never. "You just need to get your mojo back," I said, leaning forward and putting a hand on his thigh. "Perhaps I could help…?"

He looked at me blankly. "Are you saying what I think you're saying?" he asked.

By way of an answer I slid my hand up his thigh until I discovered the unmistakable bulge that hinted at what I was planning to make the most of before too much longer. "I guess I am!" I replied. "What do you say? Claire doesn't have dibs on you any more and you could definitely use a bit of cheering up."

From the stirring in his groin I could tell the idea appealed to him, and he grinned. "Alright then, you're on! Let's sup up, eh?"

And that's what we did, polishing off the drinks before we headed back to my place. We both knew what we were after, and headed straight to my bedroom, where he started to strip off while I kicked off my shoes and headed to the bathroom.

When I returned he was already under the sheets, and I wasted no time in stripping off and joining him. As our lips locked together I snaked my hand slowly down his body until, pushing past his pubes, I stroked against the thick shaft of his prick. It was instantly obvious to me that Claire hadn't been exaggerating – it was only semi-erect at this stage but already felt beautifully sturdy as I grasped hold of it and gently began to massage it, feeling the blood pulse into it as it thickened and stiffened further in my hand.

Darren groaned as, reaching further, I finally reached his bulbous helmet, which I could feel was already slippery with his pre-come. God, I wanted to suck it so much, and he let out a sigh as I ducked under the covers and moved towards his now fully-stiffened pole.

Kneeling between his spread legs, I took his prick in both hands and began to tease the tip with my tongue, working the tip into the crevice of his jap's eye, savouring the taste of the pre-come before slowly working it all around his helmet. Darren groaned again, reaching down and gently holding my head and I parted my lips wide and sank my head deeper over his meat, feeling it fill my mouth as I took in as much as I could manage. I don't suppose it was much more than half, but I did my best to suck in my cheeks and, while still holding the base with one hand, began bobbing my head up and down, occasionally pausing to swirl my tongue around the tip again before resuming the sucking.

"Oh God, Beth, I'm gonna come if you don't stop that!" he groaned, but I was enjoying it too much to stop now, and besides, if he came in my mouth now he's stay harder for longer when I got him in my pussy.

"That's OK," I said, pulling my head off his length for a few seconds. "I want you to come in my mouth, to taste your spunk!"

A bit of dirty talk like that pretty much finished him off, and a few seconds later he grasped my head more firmly and jerked his hips. A split second later I felt my mouth flood with his come, pump after pump of it as he jetted his creamy load right to the back of my throat.

I gulped down as much of it as I could before coming up for air, wiping the last few drops from my lips as I did so and lying down next to Darren, who was panting and grinning from ear to ear.

"You don't know how many times I've fantasized about that," he said, and I was taken completely by surprise, having had no idea he might be interested in me.

"Really?!"

"Yeah, I've always fancied you, but, well, what with being with Claire it didn't seem like a good idea to try it on."

Well, it was probably better for him that he hadn't – I'd have just thought he was another sleazebag, but he was certainly reaping the rewards now, and I gave him a little peck on the cheek by way of approval.

After that I went and got us both a drink, and as we drank we chatted a bit about him and Claire. Then, unable to wait any longer, I snuggled up against him, wrapping a thigh over him and rubbing my boobs against his side. Sure enough, beneath me leg I felt the beast begin to stir again. "I really want to feel that inside me," I breathed into his ear, and he murmured that he'd certainly have no objection to that.

Reaching behind me, he pushed a hand between my thighs and slipped a couple of fingers towards my pussy, trailing the outline of my slippery lips before pushing them inside my damp slot.

"It feels like you're nice and ready for it," he smiled, and I couldn't have agreed more. He was fully erect again by now, and while I was a bit apprehensive about whether I'd be able to accommodate him alright I figured that pussies are designed to be very flexible and we'd get there one way or another.

Climbing on top of him, I reached back and, grasping his prick firmly, pulled it upwards towards my dripping hole. As the helmet pushed inside me I gasped, but it fitted in fine and I eased myself backwards and down, lowering myself inch by inch onto his pole into I'd got pretty much all of it inside me. The feeling of fullness was exquisite, and for a while I just kept still, clenching and relaxing my pussy muscles as I got used to the sensation.

Finally I started to rock back and forwards, gently at first, then building up a bit of a rhythm. I could feel his helmet pushing against my G-spot, and tilted the angle of my hips slightly to heighten the stimulation. Darren, meanwhile, started by holding onto my hips before reaching up and cupping my boobs. I've always had very sensitive nipples, and as he started to roll and pinch them between his thumbs and forefingers the pleasure coursing through my body began to grow and grow. I wasn't in any hurry, figuring that as he'd already come once he'd have a bit of staying power this time round, so I set about using him to pleasure myself – and from the look on his face Darren certainly didn't have any objections!

Being on top has always been my best position to orgasm in, and sure enough, as I thrust back and forth on his prick it didn't take long before I felt my climax approaching. With Darren continuing to play with my nips and boobs, I ground myself hard down on his length and, feeling him filling me completely pushed me over the edge and I juddered through an almighty orgasm. I could feel my juices slicking his length as I came, my pussy convulsing as wave after wave of ecstasy shot through me.

Once I'd done, but before I'd had a chance to regain any composure, Darren flipped me over and, without his prick even leaving my throbbing slot, he started to fuck me in missionary. This time it was his turn to control the pace, and all I could do was cling on for dear life as he started to real pound into me, driving his thick length as deep into me as it would go with every thrust. I Was almost delirious with pleasure now, just grunting and moaning as he slammed away until, much to my astonishment, I felt another wave of orgasmic release wash over me. I was breathless now, panting and willing him on until finally, with one almighty thrust, he pumped his second of the evening deep into me before finally collapsing beside me on the bed, both of us panting, sticky messes!

> “I REACHED BACK AND, GRASPING HIS PRICK FIRMLY, PULLED IT UPWARDS TOWARDS MY DRIPPING HOLE.”

Since that night I've done my best to help him get over Claire several more times. We're not officially an item – I'm not sure the family would be ready for that – but even if we end up going our separate ways in due course we're both enjoying ourselves now. Cocks like that don't come along every day, and I'm determined to make the most of it!

GEORGIE

PHOTOGRAPHED BY ED ALEXANDER

It was quite a problem to photograph Georgie. The trouble is she's an inveterate giggler of the highest order. To say that she's got a sense of humour is more than an understatement, and when Georgie starts to think up a new practical joke to play on someone her whole 35–23–36 body begins to quiver and shake.

Eighteen-year-old Georgie Rimmington remembers her favourite practical joke. 'I played it on one of my old teachers. He was a real pig and always used to pick on me. So one night I decided to get my own back. I got his dustbin and balanced it on its edge so that it leaned against his front door. Then I filled it up as much as I could from his garden hose, and rang the doorbell and hid behind a car in the street. Sure enough, he opened the door and all the contents of the bin went flooding into his hall. Wicked wasn't it, but he deserved it.' He may well have done, but what had the poor boy with two black eyes done to deserve his misfortune when he tried out some boot polish covered binoculars chained to a shop front in Reading?

Georgie lives in the Tilehurst area of Reading and works in a clothes shop which mostly sells jeans, although if her manager knew half the things Georgie got up to she'd probably get the sack. There are days when Georgie deliberately gives female customers a pair of jeans one size too small. 'It's so funny listening to them groan about their weight or to watch them heaving away trying to get them on. Blokes are more shy than girls when it comes to trying things on, so sometimes when I think they're down to their socks and pants I pull open the doors of the cubicle and ask how they're getting on.' But one of her boyfriends had the last laugh recently when he offered Georgie some popcorn in the cinema – it wasn't popcorn in the bottom of the carton which he had placed on his lap.

Classic MAYFAIR

We're delving a long way back through the mists of time for this issue's classic, which is a full 38 years old! Georgie sounds like she was quite a handful what with one thing and another, doesn't she?! And talking of handfuls, that's a corking 1981 bit of muffage she's got going on there, too! M

MAYFAIR

Vol.54 No.11

On Sale November 27th

It's going to be 2020 soon – can you believe it? All that hoo-ha about the millennium bug was a full score years ago now, which is quite something, don't you think? Still, – time marches on, and all you can do is march along right along with it. Still, before we get all 2020 vision-y, there's still a bit of 2019 vision left to enjoy here at *Mayfair*, and we're delighted to say it'll be featuring one of our favouritest babes in Natalia Forrest, alongside yet another newbie in Elle Hunter. There are plenty of others stunners too, so here's to making the most of the rest of this year!
